Need help?

These apps are currently only rolled out on the Potchefstroom Campus and are available from the DIY Services Portal. Open your browser and navigate to www.nwu.ac.za. Click on the "DIY Services" link in the page footer.

Sign in with your NWU number and network password. Click on the "Undergraduate Students", or "Postgraduate", or "Staff" link at the top of the page, just below the page header. Click on the specific app icon.

To sign out, click on the "Logout" button in the page header.

For help regarding these apps contact Protection Services.
